The Official Support Group for  
Livingston High School Athletics

July 2016

Dear Big "L" Supporter,

The Big "L" Club trustees are currently planning the 2016 edition of the annual Livingston High School Sports Program. This program includes all 2016-2017 sports team's photos, team review and available rosters. Your advertisement is the major source of revenue for The Big L Club, enabling us to recognize athletic participation in all sports and to honor the outstanding achievements of our Livingston High School Student athletes.

With the help of our donors and support of our community this year The Big "L" will be donating one gift to the athletic program for all student athletes to benefit. We will continue to honor our individual student athletes as well as Conference, County and State Championship teams by presenting them with champion keepsakes.

As a tradition, The Big "L" Club will continue to donate plaques to the LHS Athletic Program Sports Awards, display honor roll of outstanding athletes, list all All-State honorees and all members of the LHS Hall of Fame. In addition, the Big "L" Club will award scholarships to male and female athletes who best exemplify the qualities of leadership, sportsmanship, character, integrity and community involvement. We are hoping with your support, the Big "L" Club will be able to continue support of our Athletic program.

**This year we are dedicating our Sports Journal to Livingston High School Softball Coach Jason Daily. Coach Daily, has been the LHS softball coach for the past 15 years as well as being recognized as an outstanding NJSIAA Coach. Daily led the Lady Lancers to three state sectional championships within the last five years, was named 2012 NJ Coach of the Year as he guided the team in an undefeated run to the Essex County Championship and the NJ State Section 1 group 4 Championship and recorded his 300<sup>th</sup> win at LHS this year. Outside the baselines of the softball field and inside the boundaries of the classroom, Jason Daily has been teaching television production at Livingston High School for the past 17 years. In this role, he continues to be an integral part of the school community, The Big "L" Club and the growth of the TV Production program in the district. Mr. Daily has also been recognized for his leadership in the classroom by being named LHS Teacher of the year in 2015.**

Enclosed please find our 2016 Sport Journal ad contract. When completing please be sure to include your message, a copy of your logo and ad size. Completed contracts, along with payment can be mailed in the envelope provided. These programs will be sold at LHS home games.
